Dear Jim:

STATINTL

The SPO has sent me a copy of the 9 February 1966 Agreement on Acceptance signed by [redacted]. I have reviewed this document together with the comments of the SPO pertaining to this agreement.

STATINTL

[redacted] are very positive in their representation to me that this agreement does not alter the provisions of our mutual contracts. Rather, this Agreement on Acceptance was a means whereby [redacted] could define technical procedures and technical parameters by which acceptance of the contract items will be conducted. This approach is commendable and necessary in approaching the step of acceptance.

STATINTL

My position is that this Agreement on Acceptance is subordinate to the contracts. Furthermore, I am assured by [redacted] that the mutual intent of the agreement was to interpret the contract and thereby define and apply rather specific steps essential in conducting the acceptance tests.

The purpose of this letter is to advise you of my position in this matter and to insure that you and I have a mutual understanding of the intent, purpose, and contractual effect of this Agreement on Acceptance.

I shall appreciate your prompt reply and concurrence in this matter.

Best regards,

Chuck
